Re: Montalvo v. City of Newark, et als.
Civil Action No. 06-cv-01505 (GEB)

Dear Honorable Justices:

This is to confirm that we have processed a final Settlement Agreement, executed by one Plaintiff, Yessenia Montalvo, in the above-encaptioned matter. It appears that we have to move forward on the summary judgment applications for the remaining Plaintiff, Jose Montalvo, and the remaining Defendants.

With the consent of my adversary, I am seeking a 30 day adjournment from the original schedule set by the Court and, then, to extend the schedule 30 days for each date already determined. In other words, the following schedule would apply, if the Court will so allow. May we have an Order to that same effect.

- July 25, 2010 - Motions for summary judgment are due
- August 22, 2010 - Opposition to motions for summary judgment due
- September 8, 2010 - Replies to opposition due

Frankly, I am challenged by too many Court schedules and filing dates and, with this hard economy, there are just too many attorneys filing motions, which require responses. I am now challenged with four motions for summary judgment during June/July with opposition/reply time constraints. I am also moving my office this summer and preparing for that move for mid-July/August. (My plate is completely full, despite summer plans.)

Respectfully yours,
